- (3) Pursuant to Article 5(2) the Commission has consulted producers of electric and electronic equipment, recyclers, treatment operators, environmental organisations and employee and consumer associations and forwarded the comments to the Committee established by Article 18 of Council Directive 75/442/EEC of 15 July 1975 on waste ⁽²⁾.
- (4) The Commission submitted the measures provided for in this Decision for vote in the Committee established under Article 18 of Directive 75/442/EEC on waste on 10 June 2004. There was no qualified majority in favour of these measures. Thus, in accordance with the procedure set out in Article 18 of Directive 75/442/EEC, a proposal for a
